- Continued support and encouragement of our partners, local and global

## Prayer Requests

- Wisdom in decision making
- Discernment in helping our partners with difficult situations
- Close-working relationships within the committee and with other TBC leadership teams
- An active LifeLine partner for each local and global partner
- God to raise up faithful laborers for His harvest!

## Challenge

How might God want YOU to be involved in missions in 2025? Here are some ideas!

**Pray for** Our partners, local and global, individual and ministry

The TBC missions committee, that we will exhibit unity, discernment, and the fruit of the Spirit

Yourself and your family, that God will show you the way to go this year, especially as it relates to sharing the Good News that *God saves*

**Learn** Learn about the state of missions around the world; follow a missions agency or two on social media, or sign-up for email newsletters and updates

Read and share the TBC Weekly missions pdf

Attend the Perspectives course, held at Asbury this semester!

**Give** Partners don't need just financial support; ask God to show you how you can give time, energy, encouragement, attention, etc. to those you know in missions

**Go** Visit a partner friend, volunteer with an established ministry, or start your own way of reaching others in your workplace or neighborhood!

*Let the favor of the Lord our God be upon us,  
and establish the work of our hands upon us;  
yes, establish the work of our hands!*

*Psalms 90:17 ESV*
